INCO ACADEMY

THREE MONTH DEEP DIVE INCODE

EVERYTHING YOU NEED TO BECOME A FULL STACK WEB DEVELOPER

This course will take you from a beginner programmer to an advanced web developer.

Our aim here is to help you become a well-rounded full stack web developer. We do this by focusing not just on technical skills, but also highly valuable soft skills.

SOFT SKILLS

- JavaScript syntax and programming basics
- HTML5 and CSS3
- Express – a JavaScript Framework
- Responsive design
- Git and GitHub
- Database creation and requesting
- API requesting
- jQuery
- React and React Native
- Unit and integration testing

TECHNICAL SKILLS

- Develop interview skills relevant to the tech industry
- Gain networking experience through conversations with our mentors
- Learn about personal branding and how to use LinkedIn effectively
- Work in a highly collaborative environment, reflective of a real development workplace

Master of Information and Communication Technology form Western Sydn...

2w · 🌐

For anyone who wants to improve their knowledge in IT, I highly recommend the web development bootcamp with INCO Australia. I just completed this 3 month bootcamp which taught me a lot about web development.
Special thanks to **Jacob Muller**, **Tia-Jane Freeman** and **Mohammed Almajid** for all your help and support.

FREQUENTLY ASKED QUESTIONS

WHAT KIND OF JOB WILL THIS HELP ME GET?

The employment landscape in the tech and digital sectors is ever-changing. With this comes great opportunity for those equipped with 21st century skills. We want everyone to be able to step foot in this fast growing industry where the average salary is $80,000

Graduates of our overseas programs now work as:

- Web Designers
- Web Developers
- Data Analysts
- Web Marketers
- Community Managers
- User Experience Designers
- SEO Consultants
- Digital Mediators
- Digital Project Managers

Don't worry if you don't know what kind of job you're looking for, our Incode course is designed to introduce you to all the different roles available in the tech industry!

FREQUENTLY ASKED QUESTIONS

CAN I DO THE COURSE ONLINE?

As of 2020, all classes are held online via Zoom to accommodate Covid-19 restrictions and regulations. Students are expected to attend online classes twice a week from the comfort of their own homes, which has allowed us to open up applications Australia-wide.

INCO ACADEMY

FREQUENTLY ASKED QUESTIONS

WHEN WILL THE CLASSES BE HELD?

The class times are different for each course.

At the moment, our INCODE classes will be Wednesdays and Fridays.

WHAT IF I'M NOT AVAILABLE ON THOSE DAYS?

We encourage you to apply even if you aren't available on the set days.

We will be constantly running new courses throughout the year and our class times will change to meet the needs of as many of our applicants as possible.

See you soon!
